Email: muhammadabhadin@gmail.com
Kuala Lumpur, Malaysia.

CAREER OBJECTIVE

I would like to be a part of the company where I could use and enhance my skills as well as acquire work experiences for future development of myself. A Data Scientist with enough upskilling training using predictive modeling, data processing, and data mining algorithms to solve challenging business problems. Involved in Python open-source community and passionate about deep reinforcement learning.

SKILLS

LANGUAGE PROFICIENCY

Malay	Advanced
English	Intermediate
Arabic	Intermediate
Thai	Beginner

SKILLS

Microsoft Office: Word, Powerpoint, Excel	Advanced
Python	Intermediate
R	Intermediate
Power BI	Intermediate
SQL	Intermediate
NoSQL	Intermediate
Tableau	Intermediate
Hadoop	Intermediate
Machine Learning	Intermediate
Data Visualization	Intermediate
Data Mining	Intermediate
Data Modelling	Intermediate
Apache Spark	Intermediate

WORK EXPERIENCES

Apprenticeship

Center of Applied Data Science

(Oct 2019 – Dec 2019)

- Used Python and seaborn to scrape, clean, and analyze large datasets
- Created machine learning models with Python and scikit-learn to predict the given data with 98% accuracy
- Conducted cluster analysis to generate segmented data of participants
- Assisted to build analytic tools to manage data and streamline data analyses using R and SQL Server
- Conducted detailed industry analyses, research, and drafting reports
- Developed analytics providing insights on current events in the industry
- Translated data requirements between front-line consulting staff and technical resources
- Ensured provision of appropriate analytical support and outcome recommendations for key partners in the business and provide effective project management and delivery of analytics projects

Data Co-ordinator

QS Enrollment Solutions Sdn Bhd

(March 2020 – Now)

- Responsible for processing student data into a usable and acceptable format for input into Customer Relationship Management System (CRMS) in a timely manner and within stipulated deadlines and collaborate with other teams globally to ensure a seamless process in formatting data for inquiry and offer management.

TRAININGS

MOE-MTDC DATA STAR PROGRAMME

- Certification of Professional Junior Data Science

EDUCATION

2019	MOE-MTDC Data Star Programme (Junior Data Scientist) Center of applied data	Certified
2015 – 2019	Bachelor of Science with Honours (Food Biotechnology) Universiti Sains Islam Malaysia	Graduated 28 th November 2019 CGPA : 3.01

EXTRACURRICULAR ACTIVITIES & AWARDS

- Exco of 'A WEEK TO REMEMBER' (AWTR) for Global Islamic Student Outreach (GISO) to TRICHY, INDIA.
 - Organized and fund-raised a one-week charity trip to Al-Huda Orphanage in Tiruchirappalli, India
 - A representative of the group to present the paperwork to high-ranking student affairs officer of USIM
